

MARCH GUARD ADD TO BASKET

Add value and earn commission from online customers

Our Add to Basket Jewellery Insurance eCommerce
Solution gives you more opportunities to earn.

 TH March

A simple tool to start earning valuable commission online

Many jewellers and other retailers saw an increase in online purchases during lockdowns. It appears this trend is set to continue, even post-lockdown. Adding March Guard to your website means you can start earning commission online!

March Guard is a simple jewellery and watch insurance policy that provides your customer with wide cover, few exclusions and competitive premiums.

4 versions available

1. EPOS till version - enabling you to add insurance to your till for all sales
2. "Add to Basket" - jewellery insurance eCommerce solution
3. eMarch Guard - arrange the insurance online by logging into our dedicated website

The scheme allows you to arrange instant cover (with minimal paperwork) on your customers purchases, so they leave your shop or online store protected and with peace of mind.

If your customer loses or damages their item, you will be guaranteed the repair and replacement business, which means, your customers will continue to spend with you!

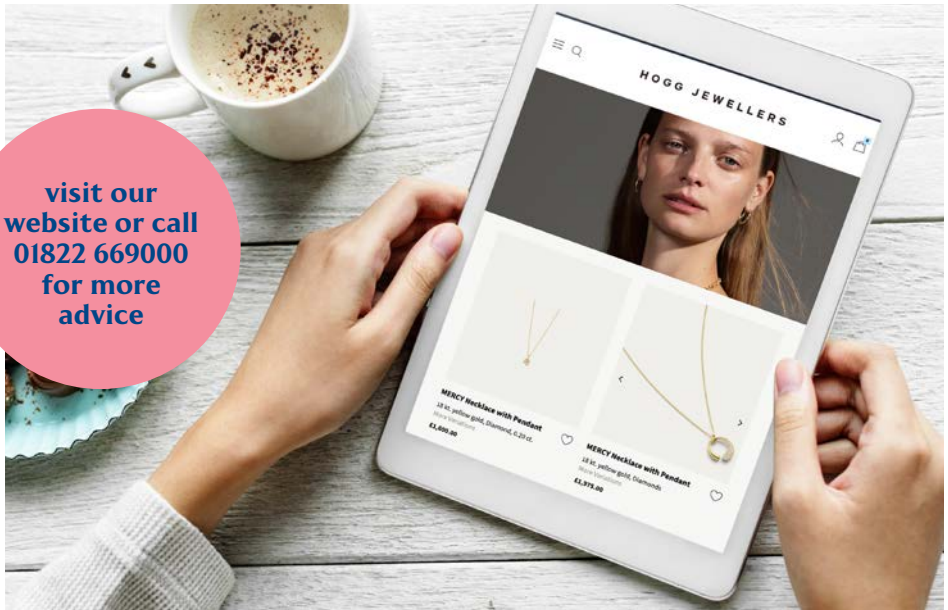

"Add to Basket" Jewellery Insurance eCommerce Solution

Many jewellers and other retailers saw an increase in online purchases during lockdowns. It appears this trend is set to continue, even post-lockdown, potentially signalling a longterm change in the way consumers shop.

ADD TO BASKET INCLUDES THEFT, DAMAGE & LOSS INSURANCE - ALL ADDED VALUE FOR YOUR CUSTOMERS.

With this in mind, it is worth considering adding enhancements to your website and March Guard could be a positive addition to allow you to earn extra income through commission.

This product will require using our implementation partner for installation and therefore a development cost will be calculated for you, dependent on existing web platforms and systems in use.
